Because she has worked for and with us, because she has given generously of her time and wisdom —— words are a poor substitute with which to express our sincere respect and admiration for this woman. She has taught us good citizenship, respect, and honor in addition to offering needed advice and counseling. She is never too busy to stop and talk with a student or to help the school in any way she can.

In appreciation for such devoted service the Annual Staff proudly dedicates the 1973 Cat's Paw to Mrs. Dorothy Phillips.

Alma Mater
Dear Alma Mater,
We will be true.
We will remember
The gold and the blue.
Where'ere we are
As years go by,
We'll always cherish
Our Sulphur High!

Foreword

Our lives, like the fashions and styles of today, are in a state of constant change. Looking back over our four years in high school, we can recall many momentous changes in our lives each year: our teachers, our school, our interests, our activities, our attitudes — all have changed. We also have learned values that do not change over the years — knowledge, morals, and deep friendships.

We, the Cat's Paw Staff, have tried to record a part of our memories at SSHS, from our first day as Freshmen to our last day as Seniors in As Time Goes On.

FACULTY

Superintendent

The Sulphur Springs Independent School District is one of the most outstanding school systems in the state of Texas. A large part of this progress is due to the direction of Superintendent Norris Starkey. Mr. Starkey is affiliated with many organizations on district, state, and city level.

LEFT: Norris Starkey displays high qualities as Superintendent of Sulphur Springs Independent School District.
BELOW: Mrs. Ester Palmer is responsible for the efficiency of the Superintendent's office.

FRONT ROW: Dr. Steve Longino, Dr. Jack Ramey, Mr. Jim Murray.
BACK ROW: Mr. Lowell Cable, Mr. Alec Bridges, Mr. Frank Wright, Mr. Bill Bradford.

School board members are elected to their positions to handle major policy decisions and to direct long range planning for new buildings, new teachers, and adequate resources. The administration and school board work together with the best interests of the student, teacher, and district in mind.

Principal

Administrative Team

Of the many qualities that contribute to greatness, probably the most important is leadership. A man who can lead without pushing, who can inspire without pleading, is a true leader. Sulphur Springs High School is fortunate to have just such a man at its helm.

CLASSES

1972-73 . . .

There was nothing different, nothing special, about this year's Seniors - or was there? Granted, they did a lot of things that no one had ever done before. But this alone makes nothing special. They were exceptional, however, in that they showed a love of life and a zeal for hard work far above that which was expected of them, and what is more they will continue to love life and work hard AS TIME GOES ON.

The 1972-73 Senior Class Officers are: Dick Sellers, Secretary; Tony Smith, President; and Gina Chancellor, Vice-President.

1972-73 . .

AS TIME GOES ON we will recall our days as Juniors. We will remember the revolutions of a typewriter ribbon, turning heads in a crowded hall saying "Hi", and the anticipation of the Jr.-Sr. Prom. Our minds will review experiences all crowded into a cycle, forever changing, moving ahead, until from a Junior . . . we meet Seniority.

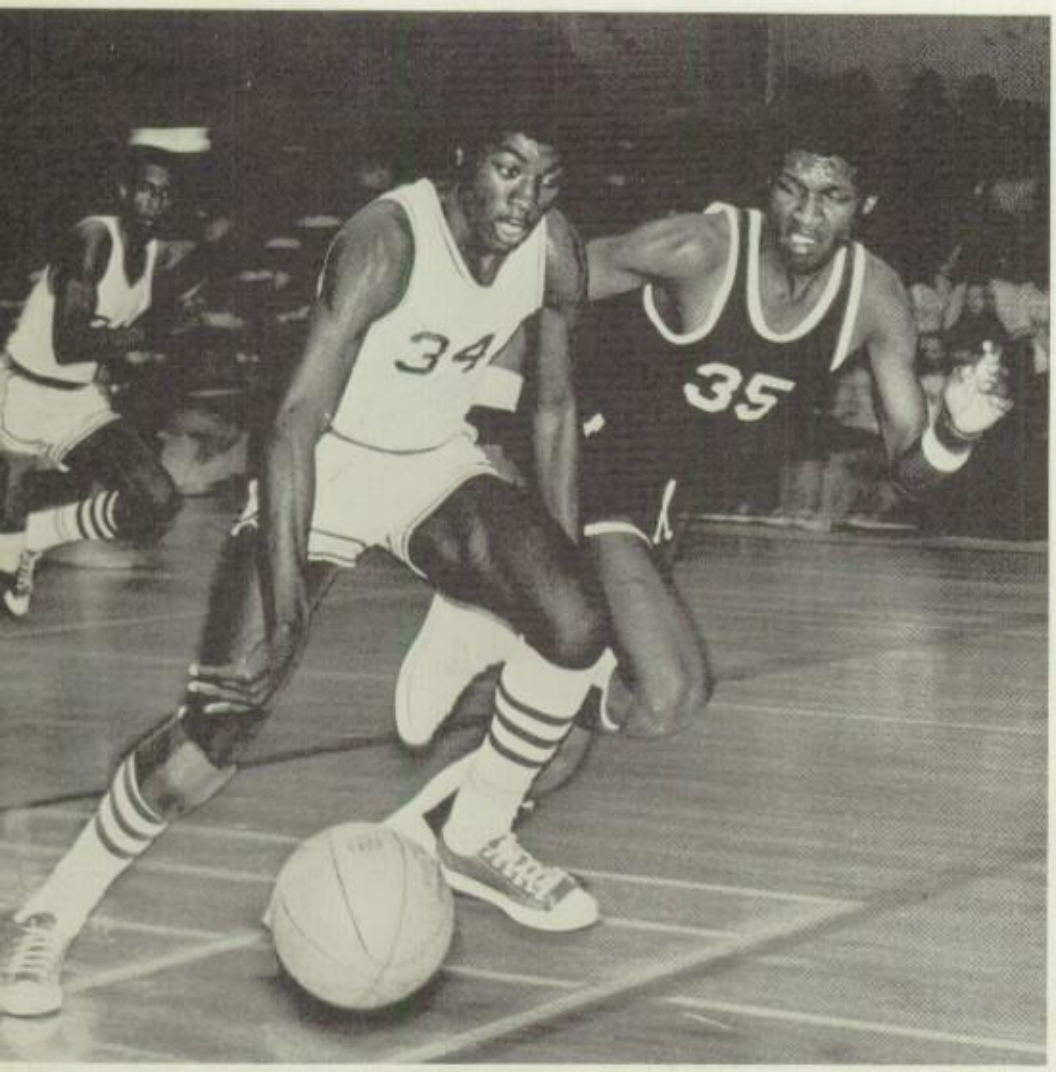
More Action — More Victories



The 1972-73 Wildcat Basketball team will not soon be forgotten. They earned for themselves a place in the hearts of many students, fans, and members of this community. They proved the theory once again that hard work and dedication will eventually pay off. When the year started this group of young men were picked for no higher than a second division finish. This group of Wildcats certainly proved the predictors wrong, as they made a definite run at the district championship only to fall one game shy of Mount Pleasant.

I think this group of young men proved once and for all that Sulphur Springs can be a winner. They have set an example that can be followed by future Wildcat athletic teams. They proved that you do not have to be the biggest, fastest, or the quickest team to win. If you will set a goal for yourself as an individual and a team, then channel all your efforts toward that goal; more than likely you will either achieve it or certainly become a success along the way. I think the following poem typifies the 1972-73 Wildcat Basketball team.

When the final buzzer sounds
And you know you didn't fight to the last ounce,
It is time to bring the curtain down
And you will be a sad sight in your graduation gown
Because you realize the end is near
And you look at the future with fear.
Finally you realize basketball is dear
But you've got to hang'em up
And wait till next year.

Basketball is a fantastic game
With a fantastic aim -
To make you a better man
When you leave than when you came.

And if you learned the lessons we tried to teach
Everything in your future is within your reach.
You can look at the future without fears
To whatever may come thru the years.

- Tommy Alexander -
